OBJECTIVE

Detail-oriented Medical Assistant with 2 years of clinical and administrative experience seeking to contribute strong patient care skills, accurate documentation, and efficient support in a fast-paced healthcare environment.

EDUCATION

Ultimate Medical Academy

2024-Present

Health Sciences Program

- GPA: **3.5**
- Strong foundation in healthcare principles, patient care, and medical terminology

Winona High School

2017-2022

High School Diploma – General Studies

GPA: **3.0**

EXPERIENCE

Medical Assistant – Georgia Urology

2024-2026

- Prepared patients for visits by recording vital signs, medical histories, medications, and chief complaints
- Assisted urology providers during examinations, procedures, and in-office treatments
- Collected and processed urine specimens for urinalysis, cultures, and lab testing
- Performed catheterizations, bladder scans, instillations, and post-void residuals per provider orders
- Administered injections, medications, and treatments following clinical protocols
- Educated patients on urology procedures, treatment plans, and follow-up care
- Managed patient flow to ensure efficient clinic operations and reduced wait times
- Scheduled appointments, procedures, and diagnostic testing; coordinated referrals

- Documented clinical notes accurately in the electronic medical record (EMR) system
- Maintained exam room cleanliness, stocked supplies, and ensured infection control compliance
- Communicated effectively with providers, nurses, and administrative staff to support patient care
- Handled prior authorizations, prescription refills, and patient phone inquiries as needed

2021-2024

Fulfillment Warehouse Associate | Amazon – Smyrna, GA

- Picked, packed, and shipped customer orders accurately while meeting strict productivity and quality standards
- Operated warehouse equipment including pallet jacks, carts, RF scanners, and conveyor systems
- Performed inbound and outbound processes such as receiving, stowing, sorting, and loading merchandise
- Maintained a safe, clean, and organized work environment in compliance with OSHA and Amazon safety guidelines
- Consistently met or exceeded daily rate expectations in a fast-paced, high-volume fulfillment center
- Conducted quality checks to ensure correct items, quantities, and packaging prior to shipment
- Collaborated with team members and shift leaders to achieve departmental goals and resolve workflow issues
- Adhered to attendance, time management, and productivity policies in a performance-driven environment
- Assisted with inventory control tasks, including cycle counts and damage reporting
