INTERSHIPS AND PROJECTS

Internships **Institute of Management Studies (IMS)** (Duration November 2024 - September 2025)
During my one-year internship in the Admission Department at IMS Noida, I handled basic student admission tasks and supported the team in daily work. I guided students and parents about courses, fees, and the admission process. I maintained data, updated records, and helped in documentation work. I also made follow-up calls, answered queries, and assisted during counseling sessions. Along with that, I supported in managing events like admission drives and helped the team ensure smooth and organized admission operations. This internship helped me improve my communication skills, confidence, and understanding of how the admission process works.
