Objective

- Adaptable customer service leader with a proven ability to meet and exceed sales targets.
- Skilled in guiding teams through change, enhancing customer experiences, and driving consistent revenue growth.
- Committed to achieving goals while fostering strong client relationships.

Work Experience

Customer care executive

Jan-2024 to November- 2024

Teleperformance

- Served as a Customer Care Executive, providing chat support to 100+ customers with clear, empathetic, and effective communication.
- Handled customer queries, complaints, and service requests while ensuring timely and accurate resolutions.
- Maintained a professional and customer-focused approach to improve customer satisfaction and trust.
- Documented customer interactions and updated records accurately in the system.
- Coordinated with internal teams when required to ensure smooth issue resolution and service delivery.

Market research analysts

Dec-2024 to Feb-2025

IBI global research solution

- As a Market Research Analyst, I conducted in-depth analyses to support strategic business decisions.
- My role involved gathering and interpreting data to identify market trends, customer preferences, and competitive landscapes.
- I collaborated with cross-functional teams to develop actionable insights, enhancing product positioning and marketing strategies.
- Through meticulous data analysis and reporting, I contributed to informed decision-making, driving growth and improving the company's market presence.

Job booking

March - 2025 to present

Arise Solar

- Worked in the job booking and solar installation department, handling end-

to-end coordination of solar projects.

- Responsible for managing customer inquiries, scheduling site visits, and booking installation jobs as per availability and project timelines.
- Coordination with technical teams, vendors, and clients to ensure a smooth installation process.
- Maintained records of bookings, installations, and follow-ups while ensuring customer satisfaction and timely project completion.
- Assisted in documentation, basis billing coordination, and post-installation support.
