RIGHT TO WORK: FULL UNRESTRICTED RIGHT TO WORK IN THE UK (SPOUSE VISA)

ABOUT ME

I am a Master's graduate in Software Engineering with a top academic record, equivalent to straight As in the UK school system, and a huge passion for the beauty and fashion industry. I love learning about products, understanding ingredients, and helping people look and feel their best. I speak English, French and Arabic fluently, which helps me connect easily with different types of customers. I am a very fast learner, friendly, and highly organized, and I am excited to bring my positive energy, tech skills, and styling passion to a fun, fast-paced retail team.

KEY SKILLS

Beauty & Styling Passion: Great eye for makeup, skincare routines, and clothing trends. I love diving deep into product details.

Customer Focus: Friendly, a great listener, patient, and naturally empathetic. I'll enjoy helping clients find the perfect match.

Languages: Fluent in English, French and Native Arabic. Comfortable chatting with global customers.

Organized & Reliable: Excellent at multi-tasking, keeping stock neat, managing time, and keeping retail spaces beautiful.

Tech & Retail Operations: Very comfortable with modern shop systems, digital checkouts (POS), and tracking stock online.

Teamwork & Leadership: Positive team player, creative problem-solver, and always professional under pressure.

EDUCATION

Master's Degree in Software Engineering

Straight A Grade Equivalent

Developed strong problem-solving, analytical and organizational skills. This background makes me highly comfortable using modern retail software, digital systems and online inventory tools.

Moroccan Baccalaureate (Science & Mathematics)

Straight A / Mention Très Bien

Subjects: Mathematics, Physics, Chemistry, Biology, English, Arabic, History, Geography.

UK equivalency: Moroccan straight-A grades broadly equate to A/A grades in the UK school system.*

WORK EXPERIENCE

Software Engineer (Internship)

Tech Sector

- Worked in a fast-paced team environment where clear communication and friendly collaboration were essential.
- Managed multiple tasks at the same time and consistently hit deadlines with high-quality, neat results.
- Listened to user feedback to solve problems quickly, a skill that helps me understand exactly what a retail customer is looking for.

PERSONAL INTERESTS

Makeup & Fashion: Testing cosmetic products, learning about skincare formulations, and following global fashion trends.

Visual Organizing: Love creating neat, beautifully arranged spaces, ideal for store displays and visual merchandising.

Creative Arts: Playing acoustic guitar, singing, adventure, and online gaming.
