PROFESSIONAL EXPERIENCE

Junior Accountant

Innovus Management Consultants | Apr 2024 – Present

- Manage day-to-day bookkeeping and accounting activities using Tally ERP in an MSME setup.
- Raise and process **80–120 tax invoices per month**, ensuring correct GST classification and statutory compliance.
- Post journal entries and required adjustment entries related to GST and accounting corrections.
- Perform **ledger, debtor, creditor and GST reconciliations** to ensure data accuracy.
- Prepare GST-related reports and internal working files for review and filing support.
- Use Excel for **monthly GST calculations, cross-verification of tax data and follow-up tracking of debtor invoices**, applying formulas such as VLOOKUP, SUMIF, IF and Pivot Tables.
- Support internal reporting requirements for management review and audit readiness.

Valuation Department Representative

Innovus Management Consultants | Aug 2023 – Apr 2024

- Conducted site inspections of mortgaged properties on behalf of banking clients as part of valuation assignments.
 - Prepared valuation documentation and reports in compliance with bank standards and regulatory requirements.
 - Performed in-house report analysis, data validation and documentation checks to support valuation and approval processes.
 - Coordinated with internal teams to ensure accuracy and completeness of financial and valuation report.
