

MOHAMMED SIDDIKHA MUSKAN

Vijayawada, Andhra Pradesh

Phone: +91-8341472985

Email: mohammadsiddikha350@gmail.com

PROFESSIONAL SUMMARY

Electronics & Communication Engineering graduate with practical experience in AI/ML, IoT, embedded systems, and railway telecommunication systems. Skilled in Python, C, MATLAB, and machine learning fundamentals with strong analytical and problem-solving abilities. Experienced in academic project leadership, cloud foundations, and real-time monitoring systems with a strong interest in AI-driven technologies and smart automation solutions.

PROFESSIONAL EXPERIENCE

APSCHE – AI/ML Virtual Internship

May 2023 – July 2023

- Learned cloud computing foundations and AI/ML concepts.
- Worked on machine learning fundamentals and practical implementation tasks.
- Gained exposure to real-world AI technologies and cloud-based environments.

SIGNAL & TELECOMMUNICATION Internship – South Central Railway, Vijayawada

Dec 2023 – March 2024

- Learned railway signaling systems and communication protocols.
- Understood train control communication and block circuit operations.
- Observed real-time telecommunication infrastructure management and safety systems.

PROJECT EXPERIENCE

IoT-Based Insect Detection in Farming

- Developed an IoT-enabled monitoring system for detecting insects in agricultural fields.
- Enabled remote sensing and real-time monitoring for smart agriculture applications.

Forest Fire Detection System

- Designed a fire detection solution aimed at reducing ecological and economic losses caused by forest fires.
- Focused on early detection and environmental monitoring techniques.

Smart Irrigation System – Team Lead

- Developed an automated irrigation system using soil moisture sensing technology.
- Improved water management efficiency through intelligent motor pump control.

Sign Language Translation Using Machine Learning – Team Member

- Contributed to a machine learning-based communication system for sign language interpretation.
- Assisted in improving accessibility through AI-based language translation.

EDUCATION

- B.Tech – Electronics & Communication Engineering | DVR & Dr. HS MIC College of Technology
- 2020–2024 | CGPA: 8.08
- Intermediate | Sri Durga Malleshwara Siddhartha Mahila Kalasala
- 2018–2020 | CGPA: 6.17
- SSC | Royal High School
- 2018 | CGPA: 9.0

TECHNICAL SKILLS

- Python Programming
- C Programming
- Embedded Systems
- IoT Fundamentals
- MATLAB
- Jupyter Notebook
- Machine Learning Fundamentals
- Cloud Foundations

CERTIFICATIONS

- AI/ML Certification – APSCHE
- Python Certification – APSCHE
- Data Science Certification – AICTE

STRENGTHS

- Positive Attitude
- Self-Confidence
- Patience
- Team Collaboration
- Problem Solving

INTERESTS

- Solving Quantitative Aptitude Problems
- Travelling
- Listening to Music
