PROFESSIONAL SUMMARY

Experienced Senior Accountant with over 10 years in diverse accounting roles, specializing in payroll processing, statutory compliance, and financial reporting. Proven ability to lead automation projects, ensuring accuracy and efficiency in accounting practices. Demonstrated expertise in managing full-cycle accounting for multiple clients and companies, with a focus on international payroll and tax compliance. Strong analytical skills with a proficiency in SAP and Tally ERP, aimed at optimizing financial processes and contributing to organizational goals. Seeking to leverage my extensive experience to further enhance financial operations in a dynamic accounting environment.

WORK EXPERIENCE

Senior Accountant

Infosys BPO Pvt Ltd | Bangalore

2017-12-01 - 2019-06-30

Spearheaded automation for payroll processing, significantly reducing manual processing time and ensuring 100% accuracy for 5000 Australian base and deputed employee payouts. Managed the Australia payroll process and compliance, acting as a key point of contact for overseas counterparts to maintain transparent accounting. Utilized SAP for high-volume payroll accounting, ensuring all payables adhered to strict monthly deadlines.

- Achieved 100% accuracy in payroll processing for 5000 employees.
- Reduced payroll processing time by 30% through automation.
- Improved compliance rates in payroll by 15% through effective management.
- Received recognition for outstanding contribution to payroll accuracy.

Senior Accountant

Volantis Technologies Pvt Ltd | Bangalore

2017-07-01 - 2017-12-31

Maintained full sets of books in Tally 9ERP for multiple group companies, overseeing P&L and Balance Sheet preparation. Guaranteed 100% on-time filing for GST, TDS, and PT, which avoided penalties and ensured departmental compliance. Standardized inter-branch and bank reconciliation processes, leading to a significant reduction in discrepancy rates.

- Achieved 100% on-time filing for all tax submissions.
- Reduced discrepancy rates by 40% through standardized processes.
- Successfully managed financial reporting for 5 group companies.
- Enhanced operational efficiency in accounting operations.

Accounting Executive

NJ Suresh & Associates | Bangalore

2014-09-01 - 2017-06-30

Managed full-cycle accounting for diverse clients in manufacturing, retail, and tech sectors using Tally 9ERP. Prepared year-end financial statements and conducted audits, identifying and correcting entry imbalances through thorough root cause analysis. Handled statutory payments and filed income tax returns using Winman software.

- Successfully managed accounting for over 20 clients.

- Identified and rectified 95% of entry imbalances during audits.
- Achieved a 100% compliance rate in statutory payments.
- Prepared accurate financial statements for year-end reporting.

Subject Matter Expert (R2R)

Accenture Services | Bangalore

2007-07-01 - 2012-01-31

Led a 2-month remediation project at a UK client site, addressing complex open entries and documenting new reconciliation instructions. Achieved 'Green Status' for balance sheet accounts by investigating aged entries (30+ days) and implementing effective root cause reports. Mentored and trained new joiners on SAP, UKRIS, and Sun Systems, significantly improving overall team productivity and quality standards.

- Achieved 'Green Status' for balance sheet accounts.
- Successfully completed a remediation project within the timeline.
- Mentored 10+ new joiners, enhancing team productivity.
- Implemented new reconciliation processes, improving accuracy by 20%.
