

SAIF ZAREEF SHAIKH

Cyber Security Analyst

+917977613851 • saifbughunter@gmail.com • [Linkedin](#)

SUMMARY

Certified Cybersecurity Analyst with hands-on experience in VAPT, ethical hacking, and application security testing. Skilled in identifying vulnerabilities using tools like Burp Suite, Nessus, and Nmap, and experienced in delivering remediation reports aligned with OWASP best practices.

EXPERIENCE

VAPT Internship, Career Technology Cyber Security India

Jan 2025 -September 2025

I have conducted Vulnerability Assessment and Penetration Testing (VAPT) on websites and applications, identifying security flaws, and documenting findings with detailed reports for escalation to senior management.

Mumbai, India

PROJECTS

Web Application Penetration Testing – OWASP Top 10

Manual Web App Pentest | Tools: Burp Suite, OWASP ZAP, Nmap

- Conducted manual web application penetration tests against OWASP Top 10 vulnerabilities, producing professional vulnerability reports.
- Identified and exploited vulnerabilities including SQL Injection, XSS, IDOR, Broken Authentication and SSRF on intentionally vulnerable lab environments (Juice-Shop).
- Documented all findings with severity ratings, proof-of-concept screenshots, and actionable remediation steps in structured pen test reports.

CERTIFICATIONS

CPTE - Certified Penetration Testing Engineer

ISO LA - ISO 27001 Lead Auditor

CSA1 - Certified Security Awareness 1

CSA2 - Certified Security Awareness 2

CEHV13 - Certified Ethical Hacker Version 13

SKILLS

Website Penetration Testing, Mobile Penetration Testing, API Penetration Testing, ISO Audit, Database Penetration Testing, Compliance Audit (CERT-IN).

Web Application Security Tools: Burp Suite, ZAP, Acunetix, Netsparker, Gobuster

Network/System Tools: Nmap ,Metasploit ,Nessus ,Kali Linux ,Host (Windows & Linux)

Mobile Tools: Genymotion, Drozer, Frida

API Tools: Postman, Burp Suite, ZAP

Languages: English (fluent), Hindi (native)

EDUCATION

Kirandevi Saraf Institute of Complete Learning	2021-2024
• Bachelors of Computer Application (BCA)	Mumbai, India
Career Technology Cyber Security India	2024-2025
• Cyber Security Course	Thane, India
