PROFESSIONAL SUMMARY

Results-driven Dietitian and Nutritionist with an M.Sc. in Nutrition and Dietetics and clinical experience. Adept at leveraging digital tools to provide remote health counseling, customized meal planning, and nutritional education. Highly organized and self-motivated, seeking to apply strong technical skills, data management abilities, and domain expertise in a remote, work-from-home capacity within the health, wellness, or food-tech sectors.

CORE COMPETENCIES & TECHNICAL SKILLS

- **Computer & Remote Working Skills:** Microsoft Office Suite (Advanced Excel, Word, PowerPoint), Google Workspace, Data Entry & Record Management, Virtual Collaboration Tools (Zoom, MS Teams, Google Meet), Telehealth Counseling basics.
- **Domain Expertise:** Clinical Dietetics, Therapeutic Nutrition Planning, Nutritional Assessment, PCOD Management, Ayurvedic Nutrition, Digital Patient Education.
- **Soft Skills:** Independent Task Management, Remote Collaboration, Written and Verbal Communication, Research & Data Analysis.

PROFESSIONAL EXPERIENCE

Clinical Dietetics Intern

Sarvodaya Hospital and Research Centre, Faridabad | 3 Months

- Designed and managed individualized diet plans for patients, effectively communicating therapeutic nutrition strategies for various health conditions.
- Maintained accurate digital records of patient dietary assessments, progress, and therapy plans.
- Conducted comprehensive patient counseling and education sessions to ensure strict adherence to prescribed health regimens.

Nutrition Practitioner Assistant

Orthopedic Care Clinic | 14 Days

- Collaborated closely with the lead physician to design and implement recovery-focused therapeutic diets for orthopedic patients.
- Educated patients and their families on post-operative nutrition guidelines to accelerate the healing process.

Food Industry Intern (Quality Assurance)

Bikano | 1 Month

- Assisted in food processing, quality assurance checks, and product development operations.
- Monitored product compliance and documented quality metrics accurately, ensuring high standards of safety and operational efficiency.

PROJECTS & RESEARCH

- **Dissertation Research:** Conducted comprehensive data collection and analysis on the "Assessment of Nutritional Status and Lifestyle Practices of School-Going Children (6-12 Years) and Their Parents." Utilized spreadsheet software to compile and analyze health data.
- **Product Development:** Developed, marketed, and managed the digital/physical presentation of innovative health food products (Walnut Ragi Brownies and Healthy Bites for PCOD) for a millet-based food competition and organic fair.
- **Publications:** Authored and published a review paper abstract titled "*A Comprehensive Overview of Dietary Fiber Impact on Modern Health Challenges*" in the college abstract book.

CERTIFICATIONS & ACHIEVEMENTS

- **Certification:** Completed a value-added certification in Ayurvedic Nutrition, gaining applied knowledge of Ayurvedic dietary principles and therapeutic diets.
- **Presentation:** Delivered an oral paper presentation at an international conference held at Quantum University (September 2024).
- **Leadership & Community:** Acted as an organizer for the college "Nutrition Festa" and an active member of the Gender Sensitization Cell.
- **Advocacy:** Participated in multiple health awareness campaigns focusing on Tuberculosis, Iron Deficiency Anemia, and the advantages of breastfeeding.
