- Communication

WORK

Shanthi IT Solutions, Chennai.

Jan. 2025 – May 2025

UI/UX Design Intern

- Designed high-fidelity user interfaces and interactive prototypes for web and mobile applications using Figma and Framer, delivering pixel-perfect designs that improved user navigation and engagement.
- Created detailed user flows, wireframes, and interactive prototypes to visualize complex user journeys and deliver intuitive, modern experiences.
- Conducted user research, created wireframes, and performed iterative usability testing to refine interfaces, resulting in cleaner user flows and modern design systems.
