

Ashmita Saha

Journalist

Experienced digital journalist with a strong track record in video-led news production and digital storytelling. Adept at leading end-to-end video workflows, from scripting and interviews to voice-overs and final non-linear editing. Skilled in identifying trending stories, crafting SEO-friendly headlines, and producing high-engagement content tailored for multi-platform distribution. Proven expertise in on-camera presentation, newsroom management, and rigorous fact-checking. A versatile professional with a background spanning anchoring, ground reporting, and leading content teams in fast-paced environments. Currently seeking advanced opportunities to drive impactful, high-velocity video journalism.
