I completed the Diploma in computer application course

PROJECTS

Consumer buying behaviour towards branded apparels.

📅 04/2024 - 08/2024 📍 Udupi,karnataka

🔗 <https://drive.google.com/file/d/1MI4D6FG-BxXGK-xuylbNXBQeWpo3tZo1/view?usp=drivesdk>

This project studies how consumers make decisions when purchasing branded clothing. It explores factors such as brand image, quality, price, fashion trends, and advertisements that influence buying behavior. The project also highlights the importance of customer preferences and perceptions in shaping brand loyalty and purchasing choices.

- What was a successful outcome of your work? (e.g. Raised \$3,000 for the charity)
