PROFESSIONAL EXPERIENCE

CRM Executive

Heritage Toyota

Duration: 2023 – 2025 (2 Years 2 Months)

Managed customer interactions and lead follow-up in CRM systems to support sales team objectives.

Maintained accurate customer records, tracked inquiries, and ensured timely lead management.

Provided customer communication, follow-ups, and sales coordination to enhance client relationship management.

Handled high-volume daily customer calls and resolved queries to support customer satisfaction.

Coordinated with sales and service teams for smooth workflow and customer handling.

Monitored customer feedback and worked on improving service quality.

Customer Care Executive (CCE)

Vatsal Hyundai

Duration: March 2023 – November 2023 (9 Months)

Handled inbound and outbound calls for customer support and service-related follow-ups.

Resolved customer queries and concerns related to sales and service to improve customer satisfaction.

Maintained customer records and supported day-to-day customer care operations.

Assisted in service follow-ups and contributed to overall customer retention efforts.

Coordinated between customers and internal departments for issue resolution.

Floor Manager

Premsons Nexa

Duration: 2022 – 2023 (1 Year)

Managed showroom floor operations and coordinated walk-in customer interactions for smooth customer service.

Supported front-end customer handling and maintained high standards of customer experience.

Assisted in daily showroom coordination and sales support activities.

Guided customers through product details and initial sales process.

Insurance Department Executive

Maruti Suzuki

Duration: 2020 – 2021 (1 Year)

Coordinated insurance processes and documentation for customers.

Provided policy-related follow-ups and insurance support to ensure smooth processing.

Maintained records and facilitated communication between customers and internal teams.

Assisted customers in claim-related queries and documentation.

SOCIAL MEDIA AND CONTENT SUPPORT

Created engaging captions, scripts, hooks, and storytelling content for Instagram and YouTube.

Developed motivational and audience-focused social media content ideas to boost engagement.

Supported planning for short-form content including Reels and Shorts.

Utilized AI tools such as ChatGPT for content writing, caption generation, and communication.

Assisted in basic video editing and content formatting.
