

Khushboo

Address: 1240LT2, Sector-1, Talwara/Township, Distt - Hoshiarpur

Mobile: 7710132776

E-mail address - Kg461596@gmail.com

Father’s Name: Puran Nath

CAREER OBJECTIVE

To utilize my academic knowledge in chemistry and creative designing skills to contribute effectively in research, industry, or freelance projects while continuously enhancing my professional expertise.

EDUCATIONAL QUALIFICATIONS

- Master of Science (MSc) – Chemistry

Result awaited (Session - 2024 -2026)
- Bachelor of Science (BSc) – Chemistry (Hons.)

August 2021 – May 2024 (CGPA - 7.62)

SKILLS

- Literature Review and Academic writing
- Presentation and Poster preparation
- Canva designing (Photo Frames, Templates)

FORMULATION & R&D SKILLS

- Fundamental understanding of cosmetic formulations (creams, lotions, gels, shampoos)
- Theoretical knowledge of emulsion systems (O/W and W/O)
- Basic awareness of surfactants, emulsifiers, and preservatives
- Understanding the importance of pH in cosmetic products
- Strong interest in product development and formulation optimization.

LABORATORY & ANALYTICAL SKILLS

- Volumetric titration
- Viscosity measurement using Viscometer
- UV-Visible Spectroscopy
- Solution preparation and concentration calculations
- Basic knowledge of Good Laboratory Practices (GLP)
- Basic knowledge of Electrochemical Analysis using CH instruments and performed techniques like: Cyclic Voltammetry (CV), Linear sweep Voltammetry (LSV), Chronoamperometry(CA)

COSMETIC SCIENCE KNOWLEDGE

- Basic understanding of skin anatomy, skin types, and skin care
- Basic knowledge of hair structure and hair care science
- Awareness of cosmetic ingredient functionality
- Interest in cosmetic safety and product performance

COMPUTER SKILLS

- MS Word – Intermediate
- MS Excel – Intermediate
- MS PowerPoint – Intermediate
- Chem draw - Intermediate
- Mercury software - Intermediate

KEY STRENGTHS

- Strong willingness to learn and grow in R&D
- Hardworking, dedicated, and disciplined
- Good analytical thinking and attention to detail
- Ability to work independently and in a team

PROJECT/RESEARCH WORK

- Thesis - Synthesis and Characterization of Copper(II) coordination complexes with heterofunctional ligands.

- **International Conference Poster (Topic) - Coordination polymers: A versatile platform for next generation energy technologies.**

EXPERIENCE

Presented an academic poster in the International conference at Guru Nanak Dev University.

Hands - on training with CH instruments for aademic research in electrocatalysis.

INTERESTS

- **Designing creative templates**
- **Exploring advanced energy materials**

DECLARATION

I hereby declare that the above information is true and correct to the best of my knowledge.

Place: Talwara

Date: 29-05-2026
