PROFESSIONAL SUMMARY

MCA graduate with hands-on experience in Data Science, Machine Learning, and AI tools. Skilled in Python, SQL, Pandas, Scikit-Learn, and data visualization. Proven ability to teach technical concepts to diverse audiences (100+ students). Passionate about applying data-driven solutions to real-world problems and eager to grow in a data science or AI-focused role.

TECHNICAL SKILLS

Programming Languages: Python, SQL, C++

ML & Data Science: Scikit-Learn, Machine Learning (Regression, Classification, Clustering), NumPy, Pandas

Data Visualization: Matplotlib, Seaborn

Databases: MySQL, MongoDB

Developer Tools: Jupyter Notebook, MS Excel

Frameworks & Platforms: Angular (basic), Cloud Computing (AWS basics)

WORK EXPERIENCE

Computer Science Instructor: St Mary's School, Ognaj, Ahmedabad *July 2025 – Present*

- Taught Python programming, MS Office, and computer fundamentals to 100+ students across age groups.
- Designed hands-on Excel assignments covering data entry, charts, and formulas to build analytical thinking.
- Delivered lessons on digital literacy and safe internet practices; created age-appropriate activities for MS Office and typing.
- Simplified complex technical concepts for non-technical audiences, improving student comprehension and engagement.

Data Science with Generative AI Intern: iDataLytics LLC, Infopark, Kochi *July – November 2024*

- Worked on data analysis tasks using Python (Pandas, NumPy) and visualized insights with Matplotlib.
- Applied machine learning techniques including regression and clustering under senior data scientist guidance.
- Participated in project teams; maintained detailed task and project documentation throughout the internship.
- Explored emerging tools in Generative AI and stayed updated with industry developments in data science.

EDUCATION

Master of Computer Applications (MCA) — Mar Athanasios College for Advanced Studies, Tiruvalla *2022 – 2024*

Bachelor of Computer Applications (BCA) — Musaliar College of Arts and Science, Pathanamthitta *2019 – 2022*

Senior Secondary (Class XII) — S.V.G.V HSS Nalkalikal, Aranmula *2017 – 2019*

CERTIFICATIONS

- Angular Front-End Framework & Web Application Development — NeST Digital, Kochi
- Cloud Computing — NPTEL Online Certification
- Aptis Forward Thinking English Testing — ASAP Kerala
- General Duty Assistant — ASAP Kerala

ACHIEVEMENTS & LEADERSHIP

- IEDC Student Coordinator — Musaliar College of Arts and Science
- NSS Volunteer Secretary — Musaliar College of Arts and Science
