PROFESSIONAL EXPERIENCE

Executive Assistant & Operations Coordinator | Mohan Mutha Exports Pvt. Ltd.
| Chennai | Present

- Provide executive support to senior leadership through calendar management, meeting scheduling, appointment coordination, and follow-up tracking.

- Manage 10–15 customer interactions daily through calls, WhatsApp, and email, ensuring timely resolution and customer satisfaction.
- Create and maintain operational trackers using Google Sheets and Shopify dashboards to monitor orders, customer requests, and business activities.
- Prepare reports, presentations, meeting minutes (MoMs), leadership summaries, and business documentation.
- Coordinate domestic and international travel arrangements including flights, accommodation, transportation, visa-related documentation, and detailed itineraries.
- Liaise with HR, Finance, Procurement, Administration, and Operations teams to support smooth business execution.
- Handle vendor communications, invoice coordination, procurement support, and administrative operations.
- Maintain confidentiality while handling executive correspondence and sensitive business information.
- Support onboarding activities, research assignments, and asset management processes.

Sales Operations & CRM Coordinator | Redington Limited

- Managed CRM updates, lead tracking, customer follow-ups, and sales operations activities.
- Coordinated with vendors, channel partners, and internal stakeholders to ensure smooth execution of business processes.
- Delivered software product presentations and PowerPoint demonstrations to vendors and partners, explaining product features and business benefits.
- Supported proposal preparation, pricing validation, sales documentation, and operational reporting.
- Conducted market research and competitor analysis to support business development initiatives.
- Prepared operational reports, dashboards, and trackers for management review.
- Handled customer communication through voice calls, emails, and internal collaboration channels.
- Supported leadership teams with meeting coordination and travel planning.

Data Processing Analyst & Client Support Specialist | NielsenIQ

- Supported international and foreign clients by coordinating project requirements and ensuring successful delivery of assigned tasks.
- Participated in client discussions and project-related communications with overseas stakeholders.
- Processed, validated, and maintained large datasets while ensuring high levels of accuracy and quality control.
- Collaborated with Research, IT, Marketing, and Operations teams to support project execution.
- Prepared reports, business insights, and documentation supporting operational and client decision-making.

- Managed email communications and resolved operational queries within defined timelines.
- Developed analytical thinking, problem-solving, stakeholder management, and process improvement skills.
